

## **DISCOVERY - Term 1 2026**

**Friday 4 - 5 pm**

**Ages 5 - 8**

8 x 60 minute sessions

All materials provided

BYO Art smock and water bottle

In our 60-minute art class, children are encouraged to discover, experiment, and most importantly — have fun. Across the term they'll discover inspiring artists and try a variety of creative mediums such as acrylic paint, watercolour, paint markers, pastels, and more. Each session is designed to gently build artistic skills while also supporting fine motor development, social connection, confidence, and emotional regulation. Students are free to express themselves and enjoy the therapeutic benefits of artmaking in a relaxed, nurturing environment. This class is suitable for all skill levels and is perfect for children who love being creative and want a joyful space to learn, grow, and develop their artistic voice.
